TERROIR

Château Jolys, with its 40 hectares, is one of the largest châteaux in Jurançon. Its vineyard extends over the superb slopes of the Chapelle de Rousse in the heart of the Jurançon AOC vineyard. The vines are planted on silico-clay soils with steep slopes facing the Pyrenees. This cuvée is made from young vines of Petit Manseng facing South/Southeast and Gros Manseng facing East.

VINIFICATION & AGEING

After successive sorting, the destemmed grapes macerate cold before a slow and delicate pressing. The musts are settled and then launched into fermentation in stainless steel tanks at a regulated temperature. The mutage is carried out at the right sugar-alcohol balance according to the tasting.

TASTING

An aromatic nose mixing citrus and fresh fruit.

A fresh and aromatic attack. The sweetness harmonizes in the mid-palate to offer a balanced sweet wine whose finish is characterized by citrus zest.

Gravlax salmon; Poke Bowl; world cuisine; Cheese of the country
